

LOWE HARDWARE

No. 1502

---

*Lowe Hardware's most simple and understated escutcheon plate. Delicate corner radii soften the harshness seen in some modern rectangular designs. The plate can be machined for use with American or European locks, latches, screen door hardware, or simply as a push plate.*

*Projection is 3/16".*

*Any of our yacht quality finishes are available.*

---

• DESIGNED, MANUFACTURED & HAND FINISHED IN MAINE SINCE 1977 •

73 SPRING STREET NEW YORK, NY 10012 (212) 390-0660
