

LOWE HARDWARE

No. 5084

---

*The #5084 thumbturn was originally designed for a Greene & Greene influenced interpretation of the Gamble house completed in Maine. The side profile follows the typical cloud lift pattern with flattened sides and an elliptical shape at the neck transition. Machined from solid brass, this piece can be adapted to suit any interior trim, as well as American or European lock systems.*

*Available in any of our yacht-quality electroplated or patinated finishes.*

• DESIGNED, MANUFACTURED & HAND FINISHED IN MAINE SINCE 1977 •
