

LOWE HARDWARE

No. 156

FULL MORTISE OFFICE LOCK

*The Lowe 156 full mortise office lock is available in 2-1/2", 2-3/4", 3-3/4", 5" or 6" backsets. Typically used as an office lock, access is controlled via the toggle stop which switches the lock between the locked and unlocked position. From the inside free egress is always available. The lock can be configured at the factory to be used with knobs, levers, thumbblatches or any combination thereof. It is supplied with a strikeplate and stamped metal dustbox, and the faceplate has an adjustable bevel. Center dimension between the handle and cylinder is 3-5/8".*

*The 156 is ANSI Grade 1, and is UL listed with a 3 hour fire rating.*

*Available in any of our yacht quality finishes.*
